Stride For Service 5K Event

The ACSL Stride for Service is a fundraiser for the Alamance County Service League. The League strives to uplift the disadvantaged members of Alamance County through Community Partnerships, volunteer work, and direct help for community residents.

Our Inaugural Event

Saturday, July 13, 2024

Last year, our inaugural event was a resounding success, exceeding expectations by raising over \$8,000. This year, we are thrilled to build upon that momentum and expand our impact.

By sponsoring the Stride For Service 5k, you're not only expanding your reach and connecting with potential customers right where they are, but you're also demonstrating your commitment to making a positive impact on our community. Your generous donation will directly support the Alamance County Service League in creating an Alamance County where everyone thrives. Show your customers that you care about the community you serve.
